

May 12, 2020

Welcome to your weekly "virtual" meeting of the Green Bay Area Retired Men's Club! We hope you have been safe and well and had an enjoyable Mother's Day on Sunday. The coffee is certainly warmer than the weather has been, so let's make our way into the auditorium (pretend to, anyway). Jack is sitting on stage ringing the bell, not the horn, so that's something to give thanks for.

FROM OUR PRESIDENT

Well, we're here, or rather, not here again. So raise your hand if you have... Wait, that doesn't work either. You could raise your hand but it would only be part of your isolation exercise routine. So, go ahead, do it. Other than that. no problems or issues to report from here. Stay safe and enjoy the rest of this "meeting" that follows. -- Jack Rhyner

TRAVEL MUGS ARE HERE

Our brand new stainless steel insulated travel mugs with our club logo have arrived. Only \$10 each. Email or call treasurer Tom Froelich (tfroelich@gmail.com) (920-265-5104) and we'll get one delivered to your door.

INVOCATION

A Prayer for Our Uncertain Times

May we who are merely inconvenienced remember those whose lives are at stake.

May we who have no risk factors remember those most vulnerable.

May we who have the luxury of working from home remember those who must choose between preserving their health and making their rent.

May we who have the flexibility to care for our children when their schools close remember those who have no options.

May we who have to cancel our trips remember those who have no safe place to go.

May we who are losing our margin money in the tumult of the economic market remember those who have no margin at all.

May we who settle in for a quarantine at home remember those who have no home.

As fear grips our country, let us choose love.

And during this time when we may not be able to physically wrap our arms around each other, let us yet find ways to be the loving embrace of God to our neighbors. Amen.

- Fr. Michael Graham, S.J.

PLEDGE OF ALLEGIANCE

With school canceled, these two children recite the Pledge of Allegiance at their family's home school. <https://www.ydr.com/videos/life/2020/03/20/pa-school-canceled-coronavirus-pledge-allegiance-home/2885627001/>

HUMORIST

From Larry Epstein...

**I despise people who
flaunt their wealth**

**Ran out of toilet paper
and now using lettuce
leaves.**

**Today was just the tip
of the iceberg,
tomorrow romaines to
be seen.**

The Hills are closed

I guess this means 178% of the population is worried about the virus

Contrary to popular belief,
Duct Tape is ***NOT*** the solution
to ***EVERY*** problem!

Anyone know what kind of plant this is?
