

June 9, 2020

Pandemic, protests and today we're supposed to see remnants of a hurricane. Welcome to 2020! Maybe it's time to focus attention on a cup of coffee and another edition of your weekly "virtual" meeting of the Green Bay Area Retired Men's Club.

FROM OUR PRESIDENT

Good morning, everyone. I really don't have anything for this week. No news on re-opening. We will be having a video board meeting next week. Will let you know if anything will be changing. I wouldn't go betting anything valuable on that yet. Stay safe and stay healthy. -- *Jack Rhyner*

FROM OUR TREASURER

We are collecting the \$15 dues for our new fiscal year which begins July 1, 2020. Members can mail their check made out to "Green Bay Retired Men's Club" and mail to me at my home. Tom Froelich, 2098 Muirwood Lane, Green Bay, WI 54313.

Also, a reminder that we have additional Retired Men's Club insulated coffee mugs for sale at \$10 each. Your check can be mailed as mentioned above. -- *Tom Froelich*

INVOCATION

Good and gracious God, who loves and delights in all people, we stand in awe before you, knowing that the spark of life within each person on earth is the spark of your divine life.

Differences among cultures and races are multicolored manifestations of your light.

May our hearts and minds be open to celebrate similarities and differences among our sisters and brothers.

We place our hopes for racial harmony in our committed action and in your presence in our neighbor.

May all peoples live in peace.

-- *Sisters of Mercy*

PLEDGE OF ALLEGIANCE

"I pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all."

And a timely message from a Navajo veteran. <https://youtu.be/QmignAQTTCI>

HUMOR

The quarantine goes at a crawl
And I miss eating out and baseball
But life is fine
As we sing "Ninety-nine
Bottles of Beer on the Wall." -- *Garrison Keillor*

Social distancing keeps us apart,
From even those close to our heart.
Six feet is the rule,
At work or at school.
Now others can't smell when we fart.

Is Algebra fruitless endeavor?
It seems they've been trying for ever
To find x, y, and z

And it's quite clear to me:

If they've not found them yet then they'll never -- *Graham Lester*

Q: When does a joke become a Dad joke?

A: When it's full groan

A. When it's a parent (apparent)
