I told my daughter, "Go to bed, the cows are sleeping in the field." She said, "What's that got to do with anything?"

I said "That means it's pasture bedtime."

Are you good at math?

Good, then if I cut a cake into 3 pieces, each piece will be .333 of the whole cake. Right?

Then if we multiply .333 by 3 we get 0.999. What happened to the .001?

You find it on the knife.

“Wow! Well, what happened next, Gramps—
after you found the cheese sitting on the
little block of wood?”
