# Winter Woes

Apparently a wild penis ran through my yard...

Can anyone recommend a better way of clearing a windscreen, I used my discount card but could only get 20% off.

a few minutes  
before wiping  
your hands on  
your pants.

# Odds and Ends

I didn't see the Northern Lights, but I just like to be included. 😊

Extremely rare footage of Willie Nelson and Keith Richards building the pyramids.

I picked up a bag of freezer pops from the store & tried a few. I guess they are supposed to be some sort of fruit flavors, but the colors are not exactly natural. I like the Windex flavor the best, but the Prestone is running a close second. I think I'll try Brake Fluid next.

**Product reliability! This 80

New from the I Hate My Husband collection.

The umbrella was originally going to be called just "brella"... but the inventor hesitated.
